I'm fairly new to this group, but I'm already enjoying the classes and learning a lot. I find the classes easy to follow and learn from. Plus I find Chef Todd entertaining as well as full of knowledge on the subject of cooking. I look forward to continuing to learn. I find the kitchen my favorite room in my home.

Aug 19, 2011 · Methamphetamine is the second most popular illicit drug in the world, after marijuana. It is commonly sold under the names of "crank", "meth", "speed", "crystal", "methamphetamines", or "ice". The amount of time that meth stays in your system depends on the dose ingested, frequency of use, and your body's ability to process it.
