Western and Eastern Medicine: A Tale of Two Doctors Aug 07, 2017

In essence, the difference between Dr. East and Dr. West is that Dr. East takes a holistic approach to medicine, while Dr. West takes a reductionist approach. Reductionist Medicine : The driving principle behind western science is Occam’s Razor , which is the notion that among competing theories, the one with the simplest explanation should

The West Nile virus can infect humans, birds, mosquitoes, horses, and some other mammals. Very rarely, the virus can spread in transfused blood, a transplanted organ, or ...
Adventures in the American West - Legends of America Produced by Kathy Weiser-Alexander, narrated by Dave Alexander. The Old West, often referred to as the Wild West, encompasses the period after the Civil War, the rest of the 1800s, and the early part of the 20th century up to 1912, when the last mainland states entered the Union. During this time, thousands of pioneers pushed their way westward in search of land, better lives, gold and ...
